

GROWTHGEAR

Stellar Team For Your Stellar Ideas

Date : 17 May 2021

TO WHOM SO EVER IT MAY CONCERN

This is to certify that **Mr. Kritagya Khandelwal** has successfully completed **Five months** (From 17th December 2020 to 17th May 2021) Internship at **GrowthGear Solutions LLP** as a **Software Developer**.

During this internship, his responsibilities included:

Working with UI/UX team to create frontends of the given UI mockups using HTML, CSS, ReactJS.

Developing server-side using Node.js and ExpressJS.

Working closely with designers to bring ideas.

Handling code versioning and deployment.

He was punctual, passionate about the work and always been a keen learner.

We the GrowthGear Team, wish him every success in his life and career.

With Best Wishes,

Yours sincerely,

Abhishek Sinha

Co-Founder - GrowthGear Solutions LLP
